Desiderata

Go placidly amid the noise and haste, remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story. Avoid loud and aggressive persons, they are vexatious to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs, for the world is full of trickery. But let this not blind you to what virtue there is. Many persons strive for high ideals; and everywhere life is full of heroism. Be yourself. Especially do not feign affection. Neither be cynical of love; for in the face of all oddity and disenchantment it is as perennial as the grass. Take kindly the council of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not disturb yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive him to be, and whatever your labors and aspirations, in the noisy confusion of life, keep peace with your soul. With all its shame, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

Dear Class of 1987,

Congratulations. I sincerely hope that you consider your matriculation at Melrose High School as being beneficial, both academically and socially. One's high school experience is an important phase of life. It serves as a building block for the future.

Your next few years will be very critical. In most cases, they will determine where you will be and what you'll be doing forty years hence.

The direction you choose, whatever it may be, is of paramount importance. After making your choice, you must be willing to work at it diligently. Never look back and wonder what you might have accomplished if you had tried harder. Accept the fact that life is a challenge, and go forth from there. Don't lose faith in yourself. Remember that you are someone special and unique and that there will never be another you. So give yourself a fair chance at life . . . WORK AT IT!!

Sincerely, Claude H. Croston

I would like to extend my best wishes for the class of 1987. May all your future expectations be realized.

Continue to share your knowledge with those who are less fortunate and in a small way make your own personal contribution [illegible] making this a better world.

Sincerely, James S. Frontero

Dear Class of 1987,

Congratulations are certainly in order to each and every one of you for a job well done!

The dedication and determination that have enabled you to graduate from Melrose High School should carry over to the preparation for your chosen career choices.

We welcome your return in the future and will continue to offer you advice and assistance.

Sincerely, Timothy F. Hurley

PRESIDENT

We made it! I would like to thank our class advisors and the teachers for their support. Without them we wouldn't have made it. Also, a special thanks to the Senior class Congress and to everyone else that helped us in any way.

"To achieve success in any field, you must never lose confidence in yourself. Setbacks and disappointments and what may seem insurmountable barriers should not sway you from the ultimate goal. Accept them as a challenge. Determination is essential. The point is, know your goal, never lose sight of it and success will be yours."

Best of luck in the future. Goodbye class of 1987.

Jeffry Murray
Senior Class President

VICE PRESIDENT

Check us out! I can't believe we finally made it. Congratulations to everyone. We have some awesome times to remember and to smile about such as proms and other special events. I wish every single person in the class of '87 good luck in the future because we're on our own now in the real world. Lots of luck and take care always. Good luck to the classes of '88 and '89.

Sincerely,

Denise Shaw

POWDER PUFF

This year's powder puff game started off with a fantastic touchdown by Cathy O'Connor. The enthusiasm from the crowd and cheerleaders (better late than never, guys!) pulled the Red Stars together and just a few moments later tied up the score with a goal from Marie Monk. Cathy O'Connor, certainly the MVP for White Lightning, proved this to be only a minor setback when she scored another touchdown for her team. The Red took action against this and quickly scored two consecutive goals, winning the game 18-12. It was a tough game, but it was all in good fun!

The boy's cross country team had a successful season, finishing with a record of 8-1-0 despite the loss of three key runners last year. We surprised ourselves by earning second place in the league in a close match against Wakefield-Hi Deek!

It was a season of good times with road trips, car washes, "Whopper King," and football and volleyball games; it was a season of questions — "Where's Joanna?" "Is that really your girlfriend?" and "Mr. Mac, is this a real gun? BANG!!" It was a season of pep talks — "You're a hill-climbing, fast-running animal!" and of true motivation — "run up it, don't sit on it!" Billygoat 5-Woburn 0. Thanks, Mr. Mac. We hope we made you proud.

Field Hockey

The 1986 Field Hockey Team would like to thank the students and the faculty for their support throughout the season. We would especially like to thank our coach, Jan Johnston, for *everything* she's done. Memories of . . . obscene phone calls to Marcia, "If you want to be a Raider blink your eyes," 150 wins, All Stars, revenge on Watertown, psyching houses, pyja, ugly sweatshirts, beating Woburn twice, getting jackets, Spittles jokes, Coach of the Year, and many, many more.

The Melrose High golf team continued its success by capturing the Middlesex League crown in 1986. Second year coach Rich McDermod guided the team to an undefeated 7-0-2 record. With only two seniors graduating, next year's team should have another winning season.

Senior captain Jeff Murray, who was a league all-star, and newcomer Dennis Crowley helped the team pull off wins in many close matches. Another important contributor was Wayne Willwerth, who won the Middlesex League Individual tournament.

The team would like to thank Mt. Hood Bellevue golf clubs for their support. We won't forget: B.K. runs, Slippery . . ., a girl named Dot, keep the pin in, Case!, 5 and 4 money, wins vs. Winchester and Stoneham, Bus rides, Edbo "9-up," not much wind vs. Burlington. Good luck next year.

Although the record didn't show it, this was a good team with strong performances against schools such as Winchester and Woburn. We'd like to thank coach Macpherson for a great season. Thanks!

Memories of our year are: 0-0 win over Woburn .844 forever! "Hey! Q-Tip; when's the cast comin' off!?" Double sessions — "The Dreaded Mile!" Given a team with only six returning seniors, one would have to believe our chances for success would be bleak. But the 1986 MHS Soccer team looked beyond this and managed, through a lot of hard work, determination and great leadership, to improve upon the records of recent years.

This year's team, under the leadership of Coach Pat Guerierro and tri-captains Darren Clark, Dan Murphy and Bob Glendon, worked hard to gain respect in what is perhaps the toughest league in the state.

Highlights of the season included a shut-out victory over Stoneham and intense games against league powers Lexington and Wakefield.

The teams graduating seniors, Bob Glendon, Dan Murphy, League All-Star Darren Clark, John Garafolo, Chris "Truckin'" Gadway, Jon Goc, and Kelly Durney would like to thank the other team members, Coach Gueriero and Coach Hart, cheerleaders and parents for their dedication and support.

Always remember: L.M.B. ... Shower Surfing ... Papering houses at 5:30 ... turbins ... Prince ... PEEWEE TRIO ... "THE DOME AWARDS" ... Four Seasons. Good luck and best wishes to next year's team.

Since there are only two graduating seniors this year, next year's team will be very strong, so Belmont beware! Thanks to Mr. Whitworth for his encouragement and hard work. Good luck to the underclassmen!

ATTENTION K-MART SHOPPERS: Melrose High School now has an established volleyball team complete with an official net!

The '86 volleyball team has a lot of memories. "Oh my God, it's Bill Walton!" Oompa-Loompa in J-Country, "All right, who stole my Ring Dings?" "Show me your teeth!" Cow F., "Tacky", Psyching houses, fall again Lola A., "whose ZEBRA SHEETS are hanging on the line?" Lost in Lexington. Never forget playing the inner city teams, especially Eastie and Charlestown, passing "Scenery" en route to the cow country, watching the Olympic Volleyball Team play and the team's biggest challenge — getting lockers. Remember wreaking havoc at Prince Pizza for three years — let's not break the tradition, and Lolas in black bearing prophesies.

After three years of hard work, injuries and plenty of spirit and dedication, the last of the originals must say goodbye. May the future according to the Lolas come true. Good luck, team of '87! The team of '86 will always be.

CHEERLEADERS . . . FOOTBALL

Cool times this year during football . . . Tailgating and cupcakes in Triton, MOO! (10 PC). We gave Christine the support she needed. Andrea still talks too much? Tammy crashes down — again! Cheerleaders up the hill — drop a dime. I'd like . . . and 10 straws to go! Bizz-Boink, "Are you sure he lives here?" Win, LOSE, or tie, it was a great season. Many thanks to Mrs. L. and Mrs. O. for creating Spirit in '87. Good luck to next year's team. Have fun!

. . . SOCCER

We'd like to thank everyone involved, especially Mrs. Grato for a successful cheering season. Special thanks to Darren, Dan, Bob, and the rest of the guys for an awesome season — we'll miss you! Memories we won't forget are: the cool table at Prince, Dan's bunch, bowling with the guys, Miss Wholesome, K^3, trashing the houses, Get Psyched, the trapezoid, captain of the day, A.Y., and the pyramid that wasn't. Good luck seniors and also to Lenore, Jen, Lyn, Robin, and Sharon.

WRESTLING

This year's wrestling squad proved to be much more than expected. The team turned its record around from the past few years. Once again Melrose wrestling had the respect of all involved in the sport throughout the state. This season was the beginning of the road to once again being a powerhouse club.

The Varsity squad, led by co-captains Dan Murphy and Mark Ball, posted some impressive victories, beating Lincoln-Sudbury, Lowell Voke and really crushing Haverhill 69-0. At the mid-point of the season the Raiders were 7-2.

The main point getters on the team included, senior Dan Murphy, juniors Don Gautreau, Cliff MacDonald, and Kevin Breen and sophomores Jim McSweeny and Joe Mercer. Along with the rest of the squad, these wrestlers brought interest back into Melrose Wrestling.

Never forget . . . Cat's Pit . . . My Eye . . . FRANK! . . . illegal moves . . .

WINTER TRACK

The 1986-87 Indoor Track season was a disappointment as far as wins and losses go, but taking into account the youth and inexperience of the team as a whole, a winning season was more than we could expect. Melrose should be a strong team in the next few years, though, thanks to the talents and dedication of its underclassmen.

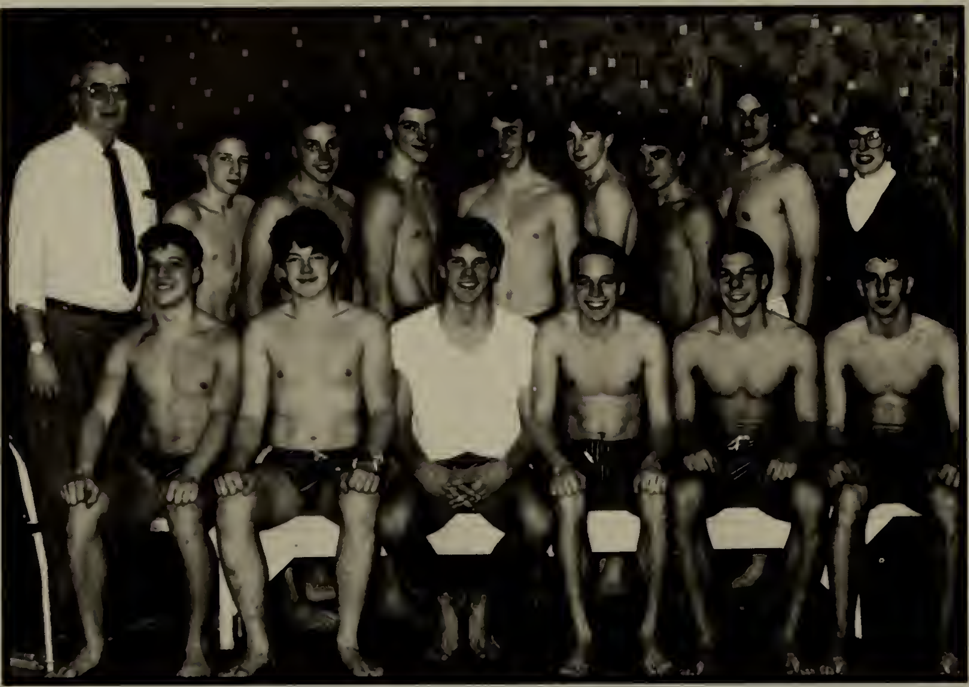
Among the many hard working athletes were Co-captains Sal Sciretto and Mark Curry who constantly placed well in their respective events. Senior middle and long distance runners Matt Sherman and Mike Bluette also made great contributions to the team. A special note of recognition goes to seniors Eileen Lynch and Jane Appleyard, who, due to the lack of a girls indoor team, participated in many varsity boys events. Other contributing seniors were John Curran, Stephen Spencer, and Karen Atkinson.

Underclassmen helped the team in all events; including Chris Kerry, Chris Pierce, and Jim Olsen.

The most important outcome of our season was that each team member developed themselves as an athlete and a person. A good time was had by all.

The departing seniors wish the team the best of luck next year. The entire team wishes our coach, Mr. MacIntyre, who is retiring this year, a very happy retirement. We will all remember him in a special way.

BOYS SWIMMING



SPLASH! Off the blocks and into the water, th Melrose High School varsity swim team has had fou outstanding seasons. Senior co-captains Mik Garipay and Gary Gauch, and their fellow senior Kevin Gibson and Steve O'Callaghan have all contributed their talents to the team. Having lost onl one meet in each of the last three years and expectin a 10 and 2 season this year, the Raider swimmer strike fear into the hearts of competitors.

Melrose boasts nationally-ranked Gary Gauch, th first swimmer ever in Massachusetts to have broke the minute mark in the 100-yard breaststroke. Hi versatility in the water extends far beyond his special ty stroke to his talents as an ace sprinter and I.M man. His co-captain Mike Garipay has displaye grace and speed in the breaststroke and individua medley, and is sure to break the 55 second mark in th 100-yard freestyle by the end of the season.

The Raiders have counted on steady, long-distanc performances from their strongest 200 and 500 yar swimmer, Steve O'Callaghan, all season, and the have not been disappointed. "Okie" has achieve several first and second places this season, even sa ing enough energy to turn in fine 100-yard perfo mances in the final free-style relay.

Utility man, Kevin Gibson, is a man for all race turning in great performances in the breaststroke an butterfly. He can also be counted on for heavy poin in the I.M. and just about any freestyle event.

Beloved Coach Grant demonstrates steadfast p tience with his team, relying as much on his comput to plan meet strategy as he does on his swimmer practice (or lack thereof), in his quest for a winni season, this year's charismatic and talented senio will be sorely missed next year as the Raiders look fo ward to continuing their victorious tradition.

HOCKEY

The 1986-87 Melrose Hockey Team showed a distinct possibility of being a top running team in the Middlesex League. After our 4-1 win over a strong Reading team, that possibility started to become a reality. We quickly jumped out to a 4-0-0 record. But our undefeated streak was broken by a tenacious Belmont team. All we dwelled upon the entire season was making the states after last year's failed attempt. Though we worked hard throughout the season, we had a lot of good times. These included: Friday nights at P. Ginos - New Year's Eve at Lev's house — Booka's cottage after the Burlington game (85-86) — hanging out with Mickey and Bud after the losses — someone put Logue back in his cage — and too many more to count.

The team consisted of ten seniors who all contributed to the team in their own ways. Richard Mugherini played outstandingly in goal. Assistant captain Bob Hennigan was one of our anchors on defense. Chris Levy, Rob Griffin and Dennis Crowley have started since their sophomore year and have done everything in their power to keep the opposing team players out of our zone. The senior forwards consisted of newcomers Steve Moran and Brian McDonough and veterans Dave Smith, Matt Bagley and Captain Kevin Mulrenan.

This year's Melrose Hockey Team continued to strengthen and rebuild Melrose hockey. One thing is for sure; this year's team is on its way up and nobody's going to stop us!

Coach Jean Bushee, Joie Luciano, Chrissy Thirkell, Jennifer Johnson, Michele Friel, Liz DiNitto, Suzie MacDonald, Kara Dancewicz, Debbie Chipman

After a slow start this season, having lost their first two meets to the toughest teams in the league, the Melrose High gymnasts came back to win their third meet against Stoneham. They've improved since the beginning of practice and hope to get stronger as they face more opponents.

Co-Captained by Debbie Chipman and Michelle Friel, the young team consists of seven underclassmen: Chrissy Thirkell, Kara Dancewicz, Jennifer Johnson, Suzie MacDonald, Christine Curran, Liz DiNitto, and Joie Luciano.

The team will always remember: "lifting mats" (thanks track), pizza in the gym, "locked out," "late again," "S.M." They would like to thank Coach Jean Bushee for everything and to wish good luck to next year's team.

The Melrose High Basketball Team started the season with victories over Stoneham and Winchester, dropping only a game to Lexington. In the first round of the Wilmington Holiday Tournament, Melrose eliminated Tewksbury by four points. After being pitted with the host team, Melrose prevailed over Wilmington in overtime. Providing the team with skill and leadership were team tri-captains: James O'Brien, Carl Pappo and Sean Shuemate. Other seniors contributing to the team's strength and spirit were guards Chris Errico and Ed Summers, and forward Rich Sullivan. Special thanks to Coach Nick Papas for his guidance and expertise. Good luck to next year's team . . . we'll see you on the sidelines!

To our staff, who without their undying (huh huh) help what a joke!) this yearbook would not have been completed (you can tell). For all the long hours (yeah all two of them) that you have all put in. We, the Yearbook Editors (if you can call us that) would like to give you a round of applause (like *!@#). This is a grand tribute (don't over do it!) to our wonderful, witty, (selfish), helpful, (perverted), staff!! Wow, we hope that anything that you want becomes yours (except someone else's wife) and that all your dreams (bad night mares) come true. Once again we love you all (speak for yourself) . . .

When you're down and troubled and you need a helping hand, and nothing is going right, close your eyes and think of me and soon I will be there to brighten up even your darkest night. You just call out my name and you know wherever I am I'll come running to see you again. Winter, Spring, Summer or Fall — all you've got to do is call, and I'll be there — you've got a friend. If the sky above you should turn dark and full of clouds and that old north wind should begin to blow, keep your head together and call my name out loud and soon I'll be knocking upon your door. Hey ain't it good to know you've got a friend when people can be so cold. They'll hurt you and desert you — they'll take your soul if you let them, but don't you let them. You've got a friend.

OF
MELR
FIEL
HOCK

Mr. Bob MacIntyre has coached and taught here at Melrose for 28 years. Mr. Tony DeTeso, "the General," has done great things, both as a teacher and athletic director, for MHS over the years. Mr. Joseph Cody had been a teacher and administrator in the arts in Melrose for over 35 years. MHS will sorely miss these three who have given so much of themselves to their students and athletes over the years. Thank you and good luck.

Retirees

Think in terms of bridges burned,
Think of seasons that must end.
See the rivers rise and fall,
They will rise and fall again.
Everything must have an end
like an ocean to a shore
like a river to a stream
like a river to a stream
It's the famous final scene.
Now the lines have all been read
And you know them all by heart
Now you move toward the door.
Here it comes — the hardest part.
Try the handle of the road.
Feeling different, feeling strange.
This can never be arranged.
As the light fades from the scene —
From the famous final scene.
